**Goodbye Ramesh and Navya.** This spring we say so long to two wonderful friends of the Lutheran Student Center. After helping us this past year at the LSC Navya and Ramesh will be moving to Walton Village, New York to start a new career. They will be greatly missed. Go with God Ramesh and Navya.

**Dr. John had the privilege of preaching this spring** at Risen Savior, Wichita and Faith, Derby. He is always glad to lead worship or speak to any group about the LSC. All proceeds go directly to the support of the LSC ministry.

**A special thank you goes out to Arleata Harmon, Jo Ellen Ryder, and the Risen Savior Jr. Youth Group** for our spring clean-up day. They cleaned our kitchen, dining room, and picked up brush outside. Thank you all for your help. The place looks great!

**A full-time campus missionary?** Could it be possible? With the Lord, all things are possible. The Lutheran Student Center is exploring the possibility of calling a new full-time LCMS pastor to do outreach to the students at WSU. This would free up Dr. John to focus solely on the administration of the LSC. Please pray that if this be the Lord's will, He will help us find a way to make it happen.

**Dr. John had the pleasure of being the Bible study leader** at the Region 5 Lutheran Student Fellowship retreat at the Living Water Ranch near Olsburg, KS this spring. Lutheran students were there from Oklahoma, Kansas, and Nebraska. It was a great opportunity to visit with Lutheran university students from three different states. We look forward to working more with them in the future.

**Love Wichita will be visiting the LSC** on April 26 to help us trim shrubbery, clean out the utility closet, and install new shelving. A special thanks to Barb Fiegenbaum of Holy Cross, Wichita for setting this up.

**New paint and new carpet now adorn the three offices at the LSC!** Special thanks to Thrivent for such a generous donation and to Robert Wiederstein and Betty Amey and the hard working volunteers from St. Andrews and Holy Cross for all their time and effort. The place looks like new!

**Special thanks to Kevin Stuewe (of Immanuel) and Frank Miller (of Holy Cross) for all your hard work:** Whether it's planting bulbs, trimming trees, or organizing volunteers we can always count on you to help us out. Thank you Kevin & Frank for all you do!

**The Lutheran Student Center is here for the students at WSU.** However, sometimes the Lord sends us other opportunities we just can't refuse. A group of teenagers living at a near-by community home for abused children have asked to use the LSC on a regular bases. They like our games and our dining facilities. Discussions are underway to bring them to the LSC for a weekly Bible study. Please pray that we figure out a way to share the love of Jesus with them on a regular basis.

**The WSU Student Association for Interfaith Dialog (SAID) has invited Dr. Tape to become part of their activities planning committee.** Please pray that he will be able to use this new position to build relationships and promote the LSC so more students will learn to know Jesus as their savior.

**A special thanks to Mark Lawrence of Risen Savior for repairing our foosball table and storage bench.** We are so thankful to know such a generous and talented person who is good with a hammer and saw, and is willing to use his skills for the Lord's work to help the ministry at the LSC. Thank you Mark!

**A special thank you to the Ascension Lutheran, Wichita, LWML.** These generous and thoughtful ladies blessed the LSC with a gracious gift of \$1,860. This will go a long way to help us spread the love of Jesus at WSU.

**The students from India say, "Thank you!"  
for supporting the Lutheran Student Center!**

**Please join us in prayer:** Heavenly Father we thank You for the Lutheran Student Center. We thank You for the many volunteers who give so generously of their time and talents to make the LSC a place where students can learn about Jesus. We thank You for the donations we have received and ask that all such gifts be used to the glory of your kingdom. Bless all who come to the LSC and keep us in your care. In Jesus' name we pray. Amen.

**One Last Request:** We cannot have this important campus ministry without your support. Please help us to reach out with the love of Jesus, by using the enclosed envelope to send us your financial contribution—Thank You!
